

# GET ACTIVE

18+ Week 29 August-5 September 2025

Just how active you choose to be during the week is up to you, but you will have ample opportunity to try a wide range of activities. Surfing, climbing, kayaking, coasteering, mountain biking, ringo and archery are all led by our instructors in amazing locations close to the Centre. At least one activity, with a choice of options, will be offered each day dependant on weather conditions and demand. If you would prefer to take it easier on some of your days with us there are plenty of beautiful coastal walks nearby and great sandy beaches to relax on.

## What is St. George's House

St. George's House is a Christian Charity, set up in 1978, to provide a place for schools and other groups to spend time in a Christian environment and experience outdoor activities. A warm welcome is extended to anyone regardless of faith.

Evening meetings are held in our large meeting room. The cost of £295 is fully inclusive of accommodation and food and the opportunity to try an activity or two each day. To stay from Friday night to Sunday evening will cost £100.
